

DO YOU BREATHE?

BREATHE LA You've known us as a resource for those struggling with asthma, and supporting a loved one battling lung disease.

BREATHE LA You've known us as we created groundbreaking programs to serve those suffering from Tuberculosis, Emphysema, and COPD.

BREATHE LA You've known us as we developed innovative environmental education programs for youth.

BREATHE LA You've known us as we introduced and pressed for tough anti-tobacco legislation and effective clean air standards.

BREATHE LA You've known us as a force in lung health research with our Center for Healthy Lungs.

BREATHE LA You've known us as a tireless leader in the fight for clean air and lung health in Los Angeles County.

BREATHE LA You've known us as the American Lung Association of Los Angeles before we changed our name in 2006.

BREATHE LA You've known us as we touched countless lives with caring, thoughtful programs and services.

BREATHE LA You know we're still here for you.
